Let's migrate to a new lifestyle
"Globus City is a perfectly planned and well developed residential project of exclusive Bungalows situated in the most prestigious location of Chuna Bhatti, Main Road, Bhopal."

Globus City is being promoted by an experienced bunch of enthusiasts which have successfully completed over 100 bungalows and had made a positive difference in the living standards of their esteemed customers.

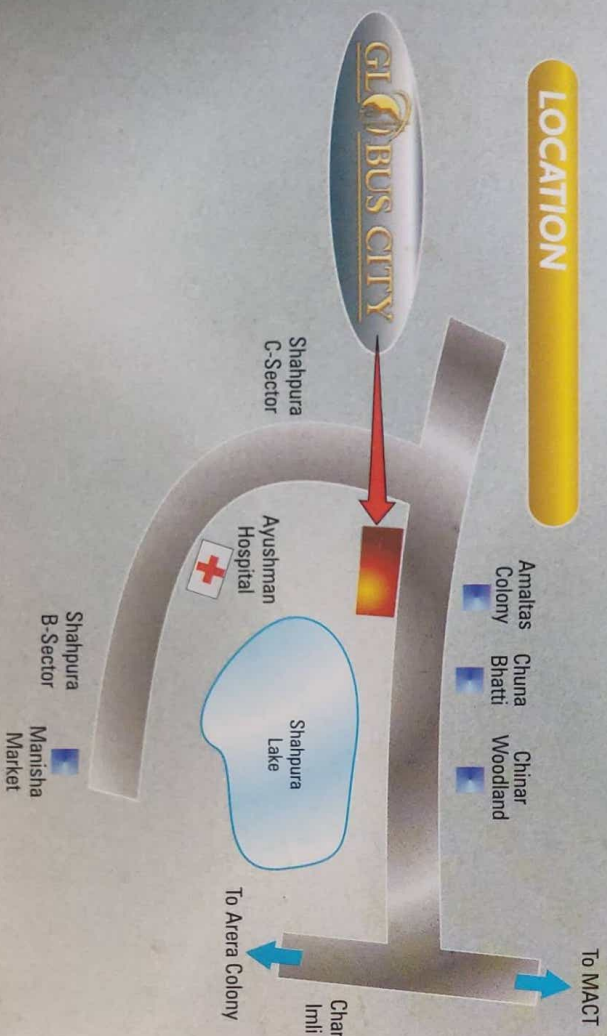

PROJECT HIGHLIGHTS

- Globus City lies in the very heart of city Chuna Bhatti, Main Road, Bhopal.
- The whole campus exuberates an enchanting ambience. These include-
 - each bungalow, strategically located in front of a park.
 - environment friendly surrounding creating a pollution free atmosphere.
- The Campus boasts of three landscaped gardens & a jogging track.
- The Club House will cater to the recreational requirements and enliven the spirit of the health enthusiasts. The Club House proposes a variety of leisure activities :
 - Gymnasium/Health Club
 - Outdoor games : basket ball & Scatting
 - Indoor sports : pool table & table tennis.
- The campus will be covered to provide total and comprehensive peripheral security. A grand main gate entrance with security check & resident-visitor intercom facility.
- Wide Roads with paving blocks & designer street lights.
- Underground electric & telephone cabling.
- Individuals tube well boring for round the clock water supply.
- The plan of bungalows have been carefully designed to suit Indian culture and take into account for their utility services like separate Kitchen space, designer toilet & bathroom, lobby, porch / parking, wash area etc.
